

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and Members of
the City Council
CITY OF THE COLONY, TEXAS

We have audited the accompanying financial statements of the governmental activities, business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the City of The Colony, Texas (the City) as of and for the year ended September 30, 2009, which collectively comprise the City's basic financial statements, as listed in the table of contents. These basic financial statements are the responsibility of the City's management. Our responsibility is to express opinions on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of the Colony, Texas as of September 30, 2009, and the respective changes in financial position and cash flows, where applicable, thereof, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying management's discussion and analysis and budgetary comparison information on pages 3 through 14 and 57 through 59, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

In accordance with *Government Auditing Standards*, we have issued a report dated March 11, 2010, on our consideration of the City's internal control over financial reporting and our tests of compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

CITY OF THE COLONY, TEXAS
March 11, 2010

Page 2

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The introductory section, combining and individual fund financial statements and schedules, schedules of capital assets used in the operation of governmental funds, and statistical tables listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements of the City. The combining and individual fund financial statements and schedules and schedules of capital assets used in the operation of governmental funds have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects in relation to the basic financial statements taken as a whole. The introductory section and statistical tables have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on such data.
