

The Colony Landfill Pass

EXPIRATION DATE ON ACTUAL LANDFILL PASS

The City has available landfill passes for single family residents to be used at the **Camelot Landfill** in Lewisville. The intent of the Landfill Pass Program is to provide single family residents with more opportunity to dispose of unwanted materials. Please use the Landfill Pass Program to help keep the City of The Colony cleaner throughout the year.

However, to avoid potential abuse of the Program, we asked that each resident follow the criteria below when obtaining or using the Landfill Passes:

1. Landfill passes are for the City of The Colony residents only. No Commercial/Industrial entities will be allowed to use the Landfill Passes.
2. Residents will have to sign for each Landfill Pass issued. Only one free landfill pass will be issued per quarter.
3. A photo ID and/or utility bill indicating that the individual is a resident of The Colony must be shown with each Landfill Pass presented at the Landfill upon entry.
4. Maximum load for each pass will be limited to a pickup sized bed plus one pull behind two-axial trailer no more than 12' long.
5. The Passes are only good for posted materials taken for disposal at the Landfill. A list of materials not taken is listed below.
6. Landfill Passes must be used within the contract year of June to June.
7. Landfill Passes cannot be sold, traded or otherwise used fraudulently by any resident of The Colony or non-resident of The Colony.
8. The Landfill will return all used Landfill Passes to the City of The Colony at the end of each month.
9. Lost landfill passes will not be re-issued until it is verified that the pass has not been used at the Landfill. This could take up to 3 months.

The Environmental/ Facility Manager (972-624-3132) will administer the Landfill Pass Program. Distribution of the passes will be by the City Hall Lobby Receptionist.

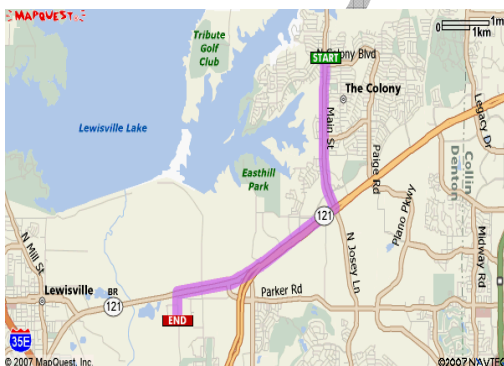

Landfill Hours of Operation

The landfill is open Monday thru Friday from 7:30 a.m. - 4:30 p.m. and Saturday from 7:00 am - 12:00 pm
972-492-3888
